

Sadhu Vaswani Institute of Management Studies for Girls, Pune

A session on MBTI by Mr Nari Mirchandani for counselling the students on their respective career

Mr. Nari Mirchandani, former Director (HRD), Crompton Greaves and one of the first MBTI certified trainers in India visits our institute every year to help our students in selection of their careers and therefore, the specialization elective in their second year. His knowledge and experience in conducting MBTI test helps us better understand our students and form a base for career counselling.

The Myers-Briggs Type Indicator (MBTI) gives deep insights to the students on their personality types. Moreover, the students are also given individual counselling to bring out the strengths and weaknesses with strategies to improve upon them. This analysis leads to self-awareness among students and provides a base to our faculty members to work on students' attributes and accordingly plan lectures, guest lectures/ workshops for development of students.

Every year students fill the MBTI forms [attached as a supporting document]. These forms are then analysed by Mr. Nari along with 2 faculty members. This session has games and activities, all of which are conducted to observe and assess personality types.

MBTI workshops have been conducted on the below mentioned dates:

AY 2012-2013: 4th February and 5th February 2013

AY 2013-2014: 10th February and 11th February 2014

AY 2014-2015: 23rd March and 24th March 2015

INSTRUCTIONS

(Please read)

These questions take about 35 minutes to answer. There are 8 areas of activities, skills and interests covered. Think of this as if you are interviewing yourself. You may be surprised by what you know about yourself when you think carefully. For questions that give you several choices, pick the one activity you're strongest in and rate yourself on that only.

It is important that you give honest responses.

Be fair to yourself.

Do not under rate what you are able to do.

You do not have to answer or guess at every question because each one has an "I don't know" or "Does not apply" choice. Use this answer whenever it fits best for you. For example, some of the questions may ask about things you may not remember or you never got to do.

SAMPLE:

1. Can you sing 'in tune'?

A= A little bit.

B= Fair.

C= Well.

D= Very Well.

E= Excellent.

F= I don't know.

If "D" is your choice then darken this 'circle':

It's O.K. to respond that you do not know
